ZOELLER MINISTRIES KIDS RACING FOR LIFE

The (15th Annual) “Zoeller Ministries Kids Racing for Life” will be held at Sebring International Raceway, Sebring, Florida, September 6th, 7th and 8th, 2013.

Once again we will be taking children with cancer or other life threatening diseases, and their families to the racetrack for a weekend full of fun and excitement!! You and your family will enjoy a Friday Night Pizza/Pool Party after Registration beginning at 5:00 pm. Both Sat. & Sun. Breakfast will be served after 6:00 am at the Kenilworth Lodge and you will enjoy lunch both days at the track with a special Banquet Dinner on Saturday Night in the Kenilworth’s Grand Dining Room. The children and their parents will receive rides in real race or track cars both Saturday and Sunday and there will be lots of other activities all weekend long!! Because of the extensive amount of planning for hundreds of people for the weekend, we need your cooperation in carefully reading and filling in all application questions, signing all waivers and promptly returning to Zoeller Ministries, P.O. Drawer 6885, Fort Myers, FL 33911. New families and children in or just completing treatment will have priority should we meet our quota early!! You will be notified on the status of your request as soon as possible in August 2013.

This is the master letter that each family must read and mark as read on the registration participation sheet. All information on the registration sheet is CONFIDENTIAL. Please pay close attention to the written rules and regulations on this sheet, as we are interested in providing for your safety as well as your enjoyment!!

All information is made available for you ONLINE for your convenience. Please make sure that you print out this letter which you need to keep with you, along with Maps and Hotel information. Print out the Registration Application, Waivers and a Zoeller Ministries Minor Release Form (1) per each child that will be coming to the track with you and send to the address above. Please give us all information to ensure correct sizing, proper amounts of food for each meal without waste and the best weekend experience possible. Thank you for your cooperation!

- Each family needs to remember to bring long pants, a short sleeved shirt, and closed-toed shoes (NO flip flops) for each one of you. NO ONE can ride in the racecars or be in the pits without them. This is mandatory per track regulations and cannot be waived.
- Please don’t bring any scooter, skates, bicycles, etc. to the track, as they are NOT allowed! Wheel chairs of course are acceptable!
- Please let your family know that they are guests of the Sebring International Raceway, sanctioned by the PBOC, and Zoeller Motorsports Ministries and they are expected to obey and respect all rules!!! This is a family event and there is to be absolutely NO Alcohol or illegal drugs at the track.

There is refrigeration for those who need it for their medications and we try always to have a nurse or physician at the track for each event. Remember no one under 18 is to be at the track without a parent with them.

We hope you will join us for this wonderful weekend!! If you have any questions, please call Stephanie Zoeller at 239-945-3333.
