12th Annual Event Fundraiser

Date: Saturday

7 August 2010

Time: 6:00 PM

"Because Children should not have to face Cancer Alone!"

"Kids Racing For Life"

This is a fundraiser to be able to pay for up to 200 Cancer Children and their families to go to Sebring International Raceway on the 10th, 11th, and 12th of September 2010. For the past 11 years "Kids Racing For Life" has enabled families that have a child (one of our "Kids") to be able to go to a race track somewhere in the SE USA for a 2 or 3 day weekend to meet drivers, crews, officials, get T-Shirts and other "goodies" and top it off with a real ride in a real Road Racing Car, driven by a qualified professional racecar driver. This may be the only "Fun" these families get all year long because of the cost of medical treatment. This not only helps the child with encouragement and hope, but helps the parents knowing they are not alone going through this. We are at this time \$20,000.00 short of our goal, thank you for helping, with the auction and raffle to help raise funds.
